ONE CHURCH 3.15

SCRIPTURE | Ephesians 4:4-5

PROBLEM

We are disconnected as a local church.

BOTTOM LINE

We are wired to connect as the Church.

DO HARD THING

Pledge something to the ONE Church Campaign at Prince of Peace.

- This is our second week of the Lent series, Do Hard Things. The challenge for students is to help them identify areas in their life where they need to challenge the “old” so that they can become “new”.
- Our goal for tonight is to encourage students to be part of the One Church Campaign. The hope is to get students to pledge something to the campaign!

MY GOAL FOR THE NIGHT |

We've got a problem. We are a disconnected church. Prince of Peace is stepping into this reality with some massive action: we are looking at how to build connection within our church, within our community, and specifically, addressing our church buildings. With our focus on becoming One Church, we seek to be transformed into One Body, as the local body of Christ here in the south metro area. As God works to challenge our hearts to see how we can pledge money, stories, and transformation to the direction of becoming One Church, our students are faced with the same question: where can I start?

JUST FOR FUN

- See “Just For Fun” page for activities.

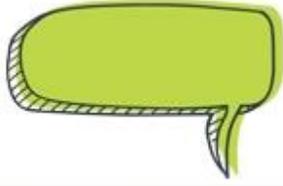

“Being disconnected takes life out of us. As we look at being ONE Church, we can see that God has wired us for deep connection for life to flow through us. Let’s talk about it!”

DISCUSSION QUESTIONS

- What are some things that can “disconnect” (think technology)?
- What happens when those things are disconnected?
- How have you experienced disconnection at Prince of Peace?
- Why do you think God is concerned that we are connected?
- Think about the fact that we have two buildings at church. How has this affected how we connect with one another?
- In the scavenger hunt, what was the most ‘surprising’ experience that you thought of during the hunt?
- The future hopefully includes our church undergoing a building transformation. What would you like to see different in the new building?
- The Hard Thing for us tonight is to pledge something to the ONE Church Campaign. What do you think about this? Has your family talked about pledging yet?

Use the scavenger hunt sheet to do the building scavenger hunt. It’s not a race, but it’s more meant for your group to experience how complicated and disconnected it can be for someone to navigate through our building/campus.
