Connect With a Small Group

Imagine it's a Tuesday morning and you're sitting at a local Burger King eating your breakfast. It's a typical Tuesday but you notice something. A group of guys has just entered and there's something different about them. As they sit together you notice that they are in conversation, laughing with one another and listening to each other. Yes, they are actually listening to each other. What you don't know about this group is that they are a small group who has come together for the specific purpose of supporting each other, praying for each other and seeking to grow in their faith. If you would ask them why, this is what they would tell you:

"We always have a good time together and any guy is invited. Many of us have worked

together on mission trips to Mississippi, Texas and Minot, ND. Many are volunteering at Echo Park Elementary, as church mice, in youth programs, as lay ministers, and in Mission Outpost. We look forward to sharing how God uses our skills or just puts us in places and tells us what to say or do."

"We look forward to following up on each other's trips, events, surgeries, tests, gas prices, etc., or individual needs like who needs a ride to the meeting next week. Sometimes we talk about Pastor Jeff and the Bible study; in the summer one of our brave members leads a discussion around the sermon notes."

"I was laid up for a while with an illness and the weather was changing; this group welcomed the opportunity to be the hands and feet and help."

The Small Group Ministry at Prince of Peace invites you to connect and be intentional about your faith journey. Small groups are forming all the time and they come in all shapes and sizes. For more information about joining or starting a small group connect with Amy Oestreich at aostreich@popmn.org.

VISION UPDATE

Worship Center Transformation

On the weekend of December 17-18, the members of Prince of Peace overwhelmingly approved the Transformation Option concept plan that would provide approximately 25,000 square feet of new space and transform the existing space in the Worship Center. When complete, all ministries will be under one roof and we can evaluate the potential lease or sale of the Christian Life Center building.

At the January 10 meeting, the Board of Directors approved the next phase of architectural design services with Cuningham Group Architecture. This next phase of architectural work would identify detailed space program needs from all ministry areas and provide schematic design and final design for staff review and Board approval. Work on this phase would likely be complete in early July. At this point in the process we will have committed to about 40% of the total architectural fees, but have incurred no construction expenses. This will allow us to evaluate the total support pledged in our capital campaign prior to determining how construction may be phased and the creation of construction documents.

We are committed to assuming only as much debt as we can responsibly handle, which means that the project and the fund-raising will determine whether this project is completed in one or more phases.

Likely timing of next steps:

- o February: Detailed space program conversations completed with architects and staff
- o March: Capital Campaign information packets distributed
- o April: Architects' schematic design work done
- o May: Capital Campaign three-year commitments received
- o July: Architects' design development work complete
- o July: Board action required before next phase of architectural work which would include construction documents and bidding
- o Early winter: Construction documents and bidding complete
- o Construction is anticipated to take 12 months with ground breaking date to be determined

What happens to our ministry in the interim? All ministry programming will continue as planned. There would be no impact on space usage until ground is broken on a project, and we have ample space in the Christian Life Center building and use of much of the Worship Center building during construction.

Please continue to pray for the work on this Transformation option as together we step up in faith to pave the way for future ministry needs, and write a new chapter in the story of God's work at Prince of Peace.

CALLED TO CONNECT

UP with God

Ash Wednesday Worship

by Dr. Mark Slaughter

Ash Wednesday is March 1, and the beginning of the season of Lent, a 40-day journey leading up to Easter. Winter is slipping away and the potential of new life is just around the corner. During this season of transition, we find ourselves faced with a time of preparation. Forty days to learn, struggle, discover; a time to grow deeper in our faith.

We are planning a very meaningful time of worship on Ash Wednesday for our community and hope you will extend an invitation for others to join you. This poignant worship experience is a time of repentance, self-examination and renewal. Disciples of Jesus will prepare their hearts for the journey ahead...a journey to the cross.

The imposition of ashes is a clear and touching reminder that we came from dust and to dust we will return. In the Rule of St. Benedict, Chapter 4 there is a reminder to “Keep the reality of death always before your eyes.” This reality is not morbid or meant to evoke fear, but to understand that this life is not all there is and we must be reminded of the promise of eternal life...“*For this is how God loved the world: He gave his one and only Son, so that everyone who believes in him will not perish but have eternal life.*” John 3:16

There are three worship times for Ash Wednesday – noon, 5:30 pm family worship, and 7:00 pm led by our Celebration Chorale – so make plans to join together for worship. A **Soup Supper** will be served in the Community Room between worship services, from 6:15 - 7:00 pm; donations are appreciated.

Called to Connect Weekend: March 4-5

Join us for an amazing weekend of worship as we gather together to celebrate what God is doing at Prince of Peace. On March 4-5 our Student Ministry will be leading in worship as well as our Middle School choir, POP ROCKS! We will serve appetizers on Saturday from 5:00 to 5:30 pm and a light breakfast on Sunday morning between services in the Community Room. There will also be updates on our building progress and a time line for all the exciting new developments. Plan on being a part of Called to Connect!

Keeping the Promise

Prince of Peace has dedicated one day each year in the life of your child to celebrate baptism. Keeping the Promise [KTP] family experiences are designed to equip families to live out the important promises made during baptism.

Ten Commandments | Grade 2

Sunday, February 12 at 9:45 am

Wednesday, February 15 at 5:00 & 6:00 pm

In response to the baptismal promise to teach your child the Ten Commandments, this KTP will give us the opportunity to learn about their significance and impact on our faith journey. Instead of attending small group, you and your second grader will work through station rotations at which you'll learn about the Ten Commandments through hands on activities. If your 2nd grader does not currently participate in a Children's Ministry small group, please choose from one of the above listed times to attend together and join us in the Family Room for worship. The KTP family experience will begin immediately following.

Apostles' Creed | Grade 5

Sunday, March 12 | 9:45 am

Wednesday, March 15 | 5:00 and 6:00 pm

In response to the promise to teach children the Apostles' Creed, this KTP will give families the opportunity to explore the meaning behind this very important declaration of faith. Through station rotations, families will look at the different pieces of the Apostles' Creed and come to understand what it means for our faith journey. Please note that fifth grade small groups will not meet and that you should plan to attend with your child. If your 5th grader is not involved in a Children's Ministry small group, please choose from one of the above listed times and join us in the Family Room for worship. The KTP family experience will begin immediately following.

STAFF/BOARD UPDATE _____

Pastor Paul Dean: Thank You For 20 Years of Service!

It is with great sadness and deep joy that I inform you I have accepted a call to serve as pastor of Resurrection Lutheran Church in Woodbury, Minnesota. I say great sadness because Prince of Peace has not only been my place of employment for the past 20 years but has also been my home, my family, and I will miss you all very, very much. I will miss my wonderful and amazing co-workers and volunteers that made coming to work every day not feel like work most of the time. I will also miss my leader Pastor Jeff, who has spoken deeply into my life and has given me the confidence to step into this new adventure.

And this is where the joy comes. I trust with all my heart that just as God has led me to a new place, God is leading Prince of Peace to something new as well. It is an exciting time to be at Prince of Peace. Just as God was at work in my heart, so is God at work in the heart of someone new to come and play their part in this new exciting journey with you. Let us keep each other in our prayers through this transition, trusting in our God who is good and whose love shines brightly guiding our way. – *Pastor Paul Dean*

Best Wishes to Darcy Wetzel

We say thank you and send our best wishes to Darcy Wetzel, who extended hospitality and provided staff support at the Front Desk in the afternoons. Darcy joined our staff in 2015 and left to pursue another opportunity at a non-profit where she has been a volunteer.

STAFF/BOARD UPDATE

Welcome, Amy Oestreich and Karen Mattingly!

We are excited to announce two new staff members joining our team! Karen Mattingly is our afternoon Front Desk Associate and Amy Oestreich is the new Small Group Ministry Associate.

“I’m very honored to be part of this staff. Our family, my husband and three kids have been members of Prince of Peace for 35 years. I have sung in the choir for a number of years and love watching my grandchildren participate in the children’s choirs. I just retired from 28 years of nursing at Fairview Ridges Hospital. I was so excited this position opened up. Prince of Peace is like a second home for us and it’s fun to see so many familiar faces and meet so many new people.” – Karen

“A longtime member of Prince of Peace, I went to Carthage College and then worked at a church in Racine, Wisconsin for 3½ years, serving in many ministry areas. I decided to move back to Minnesota to be near family and pursue a Master’s degree in School Counseling. I am currently a student at University of Wisconsin-River Falls and an executive assistant for a real estate team in Farmington. In my free time, I enjoy photography, movies, traveling, and spending time with friends and family. I am so excited to join the staff at Prince of Peace. Small groups have always been a huge passion of mine and I can’t wait to get started!” – Amy
