See It

Each time you see a nativity set, remember that the story began with an angel visiting Mary.

Hear It

When you hear Christmas carols this season, listen for what the angels do/say/sing and remember this angel story!

Talk About It

1. What do you think angels look like?
2. What are some of the things that the angel said to Mary in this week's Bible story? How do you know that God is with you? How does God help you when you feel afraid?
3. What was Mary's response to the angel's message? What are some ways you can be like God's servant and do what God says?
4. How do you feel when you hear good news? Take turns showing what your face would look like after hearing some REALLY good news. What do you do after you hear good news?

Live It

For families to do together: Make some plans for becoming angels or messengers for God. What kinds of messages about God's love do you think people need to hear? How could your family deliver those messages?

For preschool kids: Do some caroling to brighten someone's day. Use the words of the songs to share the good news about Jesus!

Pray It

Thank you, God, for baby Jesus. With you, all things are possible. Help us to remember that during this Christmas season and always. AMEN.
