See it through

Responsibility | Showing you can be trusted with what is expected of you

God is the author of creation, and God has entrusted us to care for and cultivate the world we see around us. We do that by taking responsibility. From the work we need to accomplish, to the people we meet, to the words we use, life is filled with opportunities to reflect God's character, take responsibility, and use what we have wisely. When we follow through and do what needs to be done, we can point others to Jesus, the One who took the ultimate responsibility for us and made it possible for us to be with God forever.

MORNING TIME

As your kid starts their day, tell them about a way you've recently seen them use the things they're good at to help others.

MEAL TIME

At meal times this month, have everyone at the table answer this question: "What are some ways we can love God this week? What are some specific ways we can love others this week?" Then, make a plan to do those things!

DRIVE TIME

While on the go, ask "What is something nice someone has said to you? What is something mean or unkind someone has said to you?" Then, pray this prayer together: "God, help us use our words wisely. Help us not be careless with our words when we are hurt or angry. Help us to honor you and others with what we say and how we say it. Amen."

BED TIME

Pray for each other: "Dear God, everything we have is from You. Please show us how we can use what You have given us—our time, our abilities, our stuff, our words, our story—to show Your love to the people in our lives. We love You. Thank you for loving us! Amen."

THEIR TIME

Encourage your kid(s) to spend time each week this month working through their age-specific GodTime cards. You can choose to do these devotionals with your child(ren) or allow them to work independently. Either way, be sure to take the opportunity to talk with them about what they are learning about God and their faith.

SHARE your highs and lows

What was great about today? What was tough? Reflect on your day and share a high and low with one another.

READ a Bible verse or story

It's time to open God's word. Any story or verse will do. The monthly and weekly POP Kids verses are a great place to start.

TALK about how the Bible reading relates to your highs and lows

How does what you just read relate to where you are today in your highs and lows. What might God be trying to teach you through this particular Scripture on this particular day?

PRAY for everyone's highs and lows

Offer your hearts and minds in prayer. Simply talk to God. Thank God for His goodness, and ask for guidance as needed.

BLESS one another

Trace the sign of the cross on one another's forehead as a reminder that you belong to God and to one another. Make eye and heart contact as you share words of blessing such as "You are a beloved child of God."
