7:00p	<b>1:30</b>	<p>hello! and welcome to StuMin. As you can see, we are getting into the spirit of the season... of advent! What is advent you might be wondering, well, advent is the season of expectation and waiting that comes before Christmas. This waiting season is meant to be done with a community of people, so we are happy that you have joined us tonight.</p> <p>Just a note on how things will work the next few weeks. We are going to read through the advent story in the bible. We'll take some time to understand what was going on before Jesus was born so that you know that event was all about.</p> <p>So, bring your bibles, bring your snuggly clothes, and be ready to have your minds blown.</p> <p>As we get started tonight, I invite you all to please stand and give a fist bump to the people around you.</p>

7:12:15p	<b>2:00</b>	<b>Text Reading - Emily H</b> Many people have set out to write accounts about the events that have been fulfilled among us. 2 They used the eyewitness reports circulating among us from the early disciples.[a] 3 Having carefully investigated everything from the beginning, I also have decided to write an accurate account for you, most honorable Theophilus, 4 so you can be certain of the truth of everything you were taught. 5 When Herod was king of Judea

Help us to hold onto Jesus as good news in the same way as the people who welcomed Jesus birth 2,000 years ago. Let it be good news in our families when they are hurting. Let it be good news in our relationships when they are frayed. Let it be good news in all of the circumstances of our lives.  God, teach us to continue to pray the prayer your son taught us to pray, Our father...
