

# Christmas is celebrating Jesus, God's greatest gift.

Read Luke 1:30-31

DAY

1

## Cool, Crazy, Anything!

God can do anything! Think of the coolest things you have seen so far in your life. It might be a whale shark, a shooting star, or even an Axolotl (so cute, look it up!). Grab some art supplies and draw a picture or recreate the coolest God creation you have ever seen!

**Thank God for being able to create anything.**

DAY

2

## Celebrate!

Celebrate the fact that God can do anything! He can give you super cool dance moves, the ability to draw amazing pictures, or the voice of an angel. Whatever special gift God has given you, dance around and celebrate it! Shout out the amazing things that make you special and jump and cheer about it!

**Look for ways to celebrate God in your life!**

DAY

3

## Party Props

Grab paper, scissors, and something to write with. On your paper draw a balloon shape that is large enough to write in. Cut out the balloon and write this week's verse inside of the shape. We can celebrate Jesus' coming to earth!

**Listen to stories about Jesus this season.**

DAY

4

## You Can Do Anything

Talk to God and thank Him for allowing Jesus to come to earth and for doing amazing things.

~~~~~  
"Dear God, thank You so much for sending Jesus here to earth. Thank You for all of the amazing things You have created and do so we can see how creative You are! We love You, amen."  
~~~~~

**Know that God can do anything!**

**Celebrate because  
God can do anything.**

Write something you can celebrate next to,  
or inside, each party decoration!
