### See It

Keep your eyes open for fish this week. When you spot them, think of Jonah and his wild ride.

### Hear It

While you are brushing your teeth, listen to the sound of the splashing water. Imagine being on a boat in the middle of a big storm.

### Talk About It

1. What do you think it would be like to live inside a big fish?
2. What difficult things have you been asked to do recently? How does God help us do difficult things?
3. What are some ways we can help God?
4. Jonah gets really angry with God towards the end of this story. God can handle our anger. Take turns practicing your best "angry face." What can you do to calm down when you feel angry?

### Live It

**For families to do together:** Play a game of Go Fish as a family and talk about what you remember from the story "Jonah and the Big Fish."

**For pre-k kids:** One way you can help God is by sharing food with people who don't have enough to eat. Ask your family to buy some extra boxes of goldfish crackers this week and donate them to a food shelf.

### Pray It

Dear God, give us willing hearts to do everything you ask us to do. Thank you for forgiving us and giving us second chances when we fail to do what we should. Amen.
