SMALL GROUP GUIDE [MS]

UNSTUCK [OCT. 5]

BOTTOM LINE

God moves us from being stuck to living free.

MEMORY VERSE

"I do this because of what the Lord did for me." EXODUS 13:8 (MSG)

LIFE APP

Find where you feel stuck. Share it with a trusted person in life.

- Tonight we will learn about Passover and the significance for us today. Invite students in small groups to think about the connection between Passover and communion.
- During our prayer time in the service, you'll be encouraged to pray over your students.

MY GOAL FOR THE NIGHT |

Passover is the theme of the story tonight. Passover can be confusing for students and adults alike in our day. While it may seem like it's connection is only to the Israelites, the significance of Passover is extremely relevant for how God deals with us today. The journey is to see how God has intertwined significant things in our community that helps get us "unstuck" and thinking about our free life with God.

JUST FOR FUN

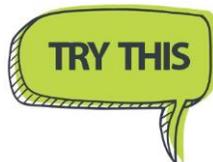

- What was your memory from your "first day of school"?
- If you could be a famous person, who would you be and why?
- If candy was falling from the sky, what candy would make you the most excited?
- Use the games/activities sheet

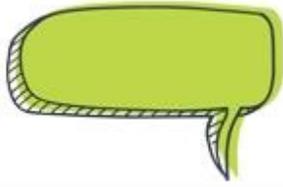

"Tonight we saw how Passover helped the Israelites get unstuck. What do we have to help us get unstuck and live free with God? Let's talk."

DISCUSSION QUESTIONS

- The Passover meal was more than just a time for families to get together (like Thanksgiving for Americans), it was a time for them to relive their history and remember how God moved them into living free. What sticks out to you about Passover?
- Think about a significant mealtime you have with your family. What makes that time significant?
- Share about a time when you felt stuck with something. What helped you get unstuck?
- Being stuck means you can't move forward with something. God is always seeking to grow us and help us live free in our relationships, serving, sports, hobbies, and our worship of Him. What can help you get unstuck with life?

God uses different ways to help us get unstuck. Helping us remember how He has worked in and through us. You have a variety of "sticky" things given to your leader that you can get stuck with. Using different methods, try to get those things "unstuck" from one another as you talk about the ways we can get unstuck in our relationship with God.
