

Forgiveness is deciding that someone who has wronged you doesn't have to pay.

Forgiven

Have you ever forgiven someone before they even asked to be forgiven? Sometimes the ones we love most don't even have to ask for forgiveness before we forgive them! Think of someone in your life that you easily forgive. Make up a song or dance to tell them how you forgive them and put on a show!

LOOK for chances to forgive others.

2

Always Forgiven

God will always forgive you when you ask. Draw a picture or write a story about a time that you needed forgiveness from God.

ASK for forgiveness when you need to.
