## SMALL GROUP GUIDE [HS]

## UNSTUCK [OCT. 5]

### BOTTOM LINE

God moves us from being stuck to living free.

### MEMORY VERSE

"I do this because of what the Lord did for me." EXODUS 13:8 (MSG)

### LIFE APP

Find where you feel stuck. Share it with a trusted person in life.

- Tonight we will learn about Passover and the significance for us today. Invite students in small groups to think about the connection between Passover and communion.
- During our prayer time in the service, you'll be encouraged to pray over your students.

### MY GOAL FOR THE NIGHT |

Passover is the theme of the story tonight. Passover can be confusing for students and adults alike in our day. While it may seem like it's connection is only to the Israelites, the significance of Passover is extremely relevant for how God deals with us today. The journey is to see how God has intertwined significant things in our community that helps get us "unstuck" and thinking about our free life with God.

### JUST FOR FUN

- What was your memory from your "first day of school"?
- If you could be a famous person, who would you be and why?
- If candy was falling from the sky, what candy would make you the most excited?
- Use the games/activities sheet

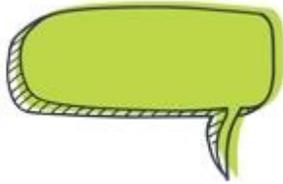

**"Tonight we saw how Passover helped the Israelites get unstuck. What do we have to help us get unstuck and live free with God? Let's talk."**

### DISCUSSION QUESTIONS

- What are the key elements to remember about Passover?
- Passover meant to become a ritual to relive what God has done in and through the people of Israel. Why was this significant for them to "relive" the God encounter?
- If Passover was a way to remember what God has done, what might be a Passover experience we celebrate now?
- Reread the bottom line. What might be your "stuck" experience? What has caught you off-guard and unable to move forward?
- Living free means we live unhindered, untangled, and unashamed in the work God is doing in us.

God uses different ways to help us get unstuck. Helping us remember how He has worked in and through us. You have a variety of "sticky" things given to your leader that you can get stuck with. Using different methods, try to get those things "unstuck" from one another as you talk about the ways we can get unstuck in our relationship with God.
