

JUST FOR FUN

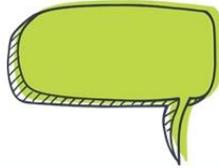

Show | February 15 | Disrupt

SCRIPTURE | Luke 7:18-35

BOTTOM LINE | Jesus doesn't just tell us who He is, He shows us.

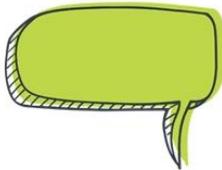

MEMORY VERSE | The blind receive sight, the lame walk, those who have leprosy are cleansed, the deaf hear, the dead are raised, and the good news is proclaimed to the poor. Luke 7:22

LIFE APP | Who do you need to show up for in your life?

GAMES [etc.]

No Rules Game | The basic idea is to create rules within your group that you know will be broken. You'll begin with the person who was most into the acting on the last game, then move clockwise, with each person adding more rules. Each person creates a rule, and a consequence for breaking the rule. Again, make the rule something you think will be broken. An example could be: In our group, your feet can never touch the ground, and if they do, you have to stand up on your chair and cluck like a chicken. Or: in our group, you cannot use the word "and," but if you do, you have to run up to someone in another group and give them a hug. Your group should be self-monitoring—you enforce your own rules. If someone's gone from your group carrying out a consequence, continue creating rules. It doesn't matter if they don't know the new rules—they still have to live by them. Ready? Go!

ACTIVITIES [etc.]

Show + Tell | Do the childhood activity with something you brought with you to Student Ministry. What makes it different when you actually have something to show instead of just telling someone about it?

John Wayne | Have someone think of a famous person (start with John Wayne). The next person has to come up with a famous name that uses either John or Wayne in the first or last place (John Legend or

Elton John) The next person can use any of the names the last person did. Keep going until someone gets stuck. Names cannot be repeated. You can establish rules of your own, such as: they must be living persons, or no people from your church or school.
