### See It

When you see a coin that has been dropped on the floor/sidewalk, remember the story of The Lost Coin.

### Hear It

Celebrations can be noisy. The next time you hear party noises remember these stories Jesus told about celebrating. Jesus loved parties!

### Talk About It

1. How do you feel when you've lost something important?
2. What are your best tips for finding lost things?
3. How do you know God loves you? How can you share the news that God loves everyone with people who might not know it?
4. Take turns telling about a time when you were lost. What did you do? For each situation shared, talk about what would be the best thing to do.

### Live It

**For families to do together:** Play Hide-and-Seek together. Elect one person to "get lost" while everyone else becomes a seeker. When you find your "lost person," turn on some loud music and dance! Rejoice and be glad!

**For preschool kids:** Help your friends and family find lost and misplaced things—the more eyes the better!

### Pray It

Thank you, God, for always loving us. And thank you for celebrations!  
AMEN.
