### Bible Time Fact

That these seemingly unimportant men received a revelation signifies that the message of Jesus is for all people, not just the rich and powerful.

### Bottom Line

Surprise! Jesus is with us.

### See It

When you see people walking and talking together, remember this story of The Road to Emmaus.

### Hear It

When you hear someone tell you that it's time for dinner, remember this story of the travelers recognizing Jesus while eating dinner with him.

### Talk About It

1. What would it be like to have to walk everywhere you go?
2. What kinds of things do you think Jesus taught Cleopas and his friend?
3. If Jesus came to your house and read you a Bible story, which story would you want him to read?
4. Tell about a time you were surprised to see somebody in a place you didn't expect to see them.

### Live It

**For families to do together:** Bake bread together. Find an easy recipe or get some frozen or refrigerated dough at the store to use. It will make your home smell wonderful! When you eat it, instead of slicing the bread, break it off in chunks to share, like Jesus and his friends did.

**For preschool kids:** Find three stories about Jesus in your Spark Story Bible that you would like to read. Ask somebody to read them with you.

### Pray It

Dear Jesus, we know that you are everywhere — and we often see you in the most unexpected ways. Help us to see you everywhere we go. Help us to know you better and better every day. AMEN.
