

PLANNING A
FUNERAL OR MEMORIAL SERVICE
AT PRINCE OF PEACE LUTHERAN CHURCH

“Blessed be the God and Father of our Lord Jesus Christ, the source of all mercy and the God of all consolation. He comforts us in all our sorrows so that we can comfort others in their sorrows with the consolation we ourselves have received from God.”

Dear Friends in Christ,

Grace to you and peace from God our father and from our Lord and Savior, Jesus Christ.

While gathering to plan and prepare for honoring the life of a loved one can be a great challenge, we welcome the opportunity to meet with you and discuss these issues. As a Lutheran Christian community of faith, our commitment to you is to walk alongside you through this challenging time, striving to embody the comfort and grace that comes from God.

Working together with you, the staff at Prince of Peace Lutheran Church will provide a Christian funeral or memorial service that honors the memory of your loved one and equips those who join you to hear the Good News of healing, hope, redemption and resurrection through Jesus Christ.

In the pages that follow, you will find the names, phone numbers and roles of many of our partners in ministry who can be of service in making arrangements, as well as resources that will help you understand the Christian funeral or memorial service. The pastor with whom you are working will be honored to help make any of these connections.

Should you have any comments, questions, or concerns, please feel free to contact Prince of Peace Lutheran Church or any of the pastors or ministers listed below.

God’s grace and peace be with you,

Peace,

Paul Gauche

CHRISTIAN COMMUNITY AT PRINCE OF PEACE LUTHERAN CHURCH

As a Christian community, we will walk with you through this difficult time. This is our commitment to you;

- We will respond in compassion and love.
- We will help you plan and implement a Christian funeral/memorial service to honor the memory of your loved one.
- We will do everything possible in the context of Christian community to help your grieving family move through this time of grief.

TO SCHEDULE A FUNERAL OR MEMORIAL SERVICE

Call the church office at 952-435-8102 to speak with the on-call pastor or lay minister.

CREMATION

The Christian church fully accepts cremation as one of the means of honoring earthly remains. Your decision regarding cremation will more than likely be shaped by the feelings, convictions, and traditions of your family.

SPACES FOR THE SERVICE: SANCTUARY/CHAPEL

Depending on anticipated attendance and family desires you may choose to hold the service in the Sanctuary in the Worship Center (13801 Fairview Dr.) or the Chapel in the Christian Life Center (13901 Fairview Dr.)

- Sanctuary (1100 seats)
- Chapel (70 seats)

Both spaces are accessible to a casket.

FRATERNAL SOCIETIES

Lutheran tradition and practice suggests that the rituals or tributes of social or fraternal societies be carried out separate from the order for the Burial of the Dead. It is acknowledged that some members of the Evangelical Lutheran Church in America, as individuals, may hold membership in such societies and fraternities. It is acknowledged that many of the aforementioned societies and fraternities include within their charters and membership ritual elements of religious belief and practice that may have Christian overtones. However, the liturgical ministry of the church to its members should not be confused or commingled with the rituals of social and fraternal societies. The separation of the church's liturgical ministry from the rituals and tributes of social and fraternal societies does not invoke judgment (either negative or positive) upon the purposes, character, or social value of such organizations, or upon congregants who may hold membership in them.

FIRST STEPS

Go to Scripture.

During this time of loss, Scripture can be of great comfort to you and your family. Here are some verses for private meditation which also might be considered for use during the service. These words from Scripture can serve as comfort for those in grief, reference for family meeting times, and words of hope for the funeral/memorial worship service itself.

Ecclesiastes 3:1-8	...for everything there is a season, a time to be born...
Joshua 1: 9	...be strong and courageous.. do not be frightened...
Job 19:22-27a	...for I know that my Redeemer lives...

Psalms 121	...I lift up my eyes to the hills - from where will my help come?
Psalms 130	...I wait for the Lord, my soul waits, and in his word I hope...
Psalms 139:1-17, 23, 24	...you have searched me and known me...
Isaiah 25:6-9	...God will wipe away all tears from our eyes...

Funeral

The term “funeral” service is used when the earthly remains are present in the worship space. A funeral is usually scheduled within days of death.

Memorial Service

The term “memorial” service is used when there are no earthly remains present in the worship space. A memorial can be scheduled close to the dispensation of remains, or can be scheduled at a later time in consideration of family schedules.

Some choose to use other language to describe the service:

- A celebration of the life of....
- A worship service honoring the memory of...

THE FUNERAL/MEMORIAL WORSHIP SERVICE

This service is a Christ-centered time of worship focused on the promises of God in Scripture and a time to remember the one we have lost. HYMNS OR SONGS DURING THE SERVICE

Christian music is filled with a vast treasure of ancient and modern song that is appropriate for funerals/ memorials. Personal preferences and favorite music of the deceased should be considered but not all music is appropriate for a service. Favorite popular (secular) songs and recordings might be best used during the reception or in conjunction with a family produced video that remembers the deceased. Once again, not all music is appropriate for worship and the pastor/minister and/or Prince of Peace Worship Arts staff can be helpful to you in making these selections. Here are a few suggestions:

Joyful, Joyful We Adore Thee
Praise to the Lord, the Almighty
Now Thank We All Our God

SAMPLE RECORDING

A sample recording of these hymn and song suggestions is available from the funeral coordinator. The CD includes 15-30 seconds of each selection in the order they appear in this document.

MUSICIANS

Organist

If you desire organ music and hymn accompaniment we have professional organists to assist with the music. Only trained and highly skilled organists familiar with this instrument should be used to play for the service. If you desire that a family friend or relative play organ during the service, this needs to be discussed with the Director of Worship Arts and approved.

Pianist

If you desire piano music during the service, in the Sanctuary we have a nine-foot grand piano available for that use and a grand piano available in the Chapel. Again, if you desire family or friends to play, be certain they are trained and skilled in this kind of musical leadership.

Instrumentalist

We have an extensive list of skilled instrumentalists who could provide music for the service. Should you desire flute, violin, sax, harp, bagpipe, or other instrumental music, we will contact these musicians.

Soloist

The role of a soloist is to not only sing vocal music, but to lead the congregation in song. Prince of Peace has many talented vocalists to serve in this capacity. The vocalist selected will be determined by the musical needs of the service. If you have family and friends who can offer these services, be certain that they are experienced in this role and are able to sing during this time of grief. It is our experience that most family members are not able to sing for the service of someone they loved dearly.

Ensemble

Often, given the music you select, an ensemble may be best to faithfully lead the music for the service. You might consider using an ensemble of piano, guitar, bass, solo instrument and singers to lead the music.

PRE-RECORDED MUSIC

It is the policy of Prince of Peace to **not allow pre-recorded music** of any kind, prior to or during worship. **We do not allow soloists to be accompanied by tapes or CDs.** Live musicians offer live music for worship.

SPOKEN TRIBUTES

Often, family members and close friends desire to share thoughts and memories. Speakers should be carefully selected to offer a dignified tribute. Special memories and stories in addition to the traditional obituary could be shared. Tributes should not only honor the deceased, but everyone in attendance and should give a special glimpse into the character of the one that some would not have known as well.

We strongly recommend limiting the number of tributes to **no more than three** speakers offering tributes of **two to three minutes** in length in order to be conscious of the time investment of the worshipers and to keep the service focused. We recommend that speakers address different aspects of the life of the deceased; family, friends and work.

Please note that, during the service, the pastor/minister will **not** publicly offer the opportunity for any additional tributes from those in the congregation. The pastor/minister may request to see these tributes in writing before the service.

BULLETINS

Prince of Peace will produce a worship bulletin for the service based on the information provided by you. For all worship events including weddings and funerals, we require the presence of the **Prince of Peace logo, worship times, address, phone, and website information in all bulletins used. (shown below)** The funeral coordinator will show you five bulletin options that Prince of Peace will provide for you at no charge. If you choose to produce your own funeral bulletin, work with the pastor/minister so that it reflects the required Prince of Peace information.

13901 Fairview Drive, Burnsville, MN 55337 | 952-435-8102 | popmn.org
Join us for worship: Saturdays at 5:30 pm, Sundays at 8:30, 9:45, 11:00 am

SANCTUARY/CHAPEL FLORAL ARRANGEMENTS/CANDLES

The funeral coordinator is responsible for the appearance of floral arrangements and other visual enhancements in the worship space. We have eight candle stands that can be used creatively in addition to two memory candle stands. Wax candles are not allowed anywhere in the worship space except on the two memory candle stands.

GUEST BOOK

A guest book is usually offered through the funeral home but you have the option to choose to purchase one on your own or not have one at all. If you use a guest book, have it available during visitation at the funeral home and at the Prince of Peace service. Not everyone is able to attend both events. A guest book is helpful for you to look back and see who attended the events and a way for you to gather addresses for thank you notes. Prince of Peace will provide a place for the guest book to be signed. We recommend that your guest book provide space for attendees to record their addresses to assist you when writing thank you notes.

DISPLAYS

Prince of Peace can provide **easels** and tables for displaying personal items of your loved one. You may consider using photos and other appropriate memorabilia that would provide a visual display of the life and memory of the deceased. These displays will be set up in the gathering area of the church just outside the main doors to the Sanctuary, or just outside the Chapel doors in the gathering area, as space allows.

THE CASKET

During the time of visitation prior to the funeral service, the casket can remain open as the family wishes in the back of the Sanctuary or the front of the Chapel. If the casket has been opened, it will be closed prior to the worship service and covered with the funeral pall. For worship services in the Sanctuary, the casket is then moved to the front of the Sanctuary during the family procession at the start of the of the worship service. You might choose to not process as a family but simply gather in the reserved seats at the front of the Sanctuary.

THE PALL

Prior to the beginning of the worship service, the casket is closed and draped with a funeral pall and processed to the front of the Sanctuary. The pall is placed over the casket to recall the white robe of righteousness given in Baptism and helps to emphasize that all are equal and valued in the presence of God. The pall is removed from the casket once it has exited the worship space at the end of the worship service. The pall will be used in all Prince of Peace funerals that have a casket present.

PALLBEARERS/CASKET BEARERS

When a casket is present in a funeral service, a family will often name four to six persons as pallbearers or casket bearers. Most often, these people are close friends and/or family members. While this is primarily a symbolic, honorary function, there are times when the casket needs to be **lifted or placed** and it is the duty of the pallbearers to help with this function at the direction of the funeral director.

THE OSSUARY

Prince of Peace provides an ossuary, a receptacle to **display the cremains** of the deceased in a discrete and dignified manner. The ossuary and stand can also accommodate the memory candle and a photo. Prince of Peace also has white paraments (cloth coverings) that cover the ossuary stand which will be used in conjunction with the use of the ossuary.

MEMORY CANDLE

Prince of Peace provides a **memory candle** for all funerals **as a gift** from the church which is lit during the funeral/memorial service and given to the family to be lit on occasions that will pay tribute to the loved one who has died. This candle is the only wax candle that will be used during a funeral/memorial service.

PASCHAL CANDLE (BAPTISMAL CANDLE)

During the funeral the large candle most often used at baptism is placed at the head of the casket or near the cremains as a visible sign of the baptismal covenant in which we live and die.

FLOWERS

Flower donations can be directed for delivery to the Prince of Peace Worship Center at 13801 Fairview Drive, Burnsville or to the Christian Life Center Chapel at 13901 Fairview Drive. *(Deliveries on Friday should be made prior to 3:30 pm at Door E of the Worship Center.)*

Typically, the immediate family orders the floral casket cover. If appropriate, a small lid arrangement is chosen by the family to represent younger children or grandchildren of the deceased. Personalized flower arrangements (father, son, brother, etc.) must be ordered by the funeral home or the family.

Flowers sent by other family members (sisters, brothers, etc.) should be displayed in the area of the casket. The funeral coordinator will have the final approval regarding the appearance of the floral arrangements in the Sanctuary.

It is the policy of Prince of Peace not to retain any floral arrangements after a funeral or memorial service. Therefore, **the family is responsible for the care and distribution of all flowers.**

CARDS AND MEMORIALS

A memorial is a gift to an organization in the name of the deceased. Memorials can be given to Prince of Peace or other charitable organizations whose work would benefit from the benevolence of your family. Be sure to state your preference in the obituary and noted at the funeral home and church. Organizations who receive memorials will usually notify you of the amount given and by whom. You may choose to work with these organizations in giving direction as to how the money should be used.

Envelopes for donation/memorial usage are available from the church or the funeral home. You may also receive cards with donations in the form of cash or checks. As a family, you will decide how these donations will be dispersed.

MEMORY CARDS

This is a card that summarizes the life of your loved one. It can include place of birth, life history, accomplishments, skills and passions. The funeral home will offer to produce these for you.

PARAMENTS

The Christian church year is highlighted by altar and reading desk paraments. These paraments will be present in the worship space. Generally, you can expect the parament colors to be as follows:

Advent (four weeks prior to Christmas)	Blue
Christmas	White
Epiphany (January 1 to Ash Wednesday)	Green
Lent (Ash Wednesday to Palm Sunday)	Purple
Palm Sunday, Festivals	Red
Season of Easter (7 weeks following Easter)	White
Pentecost (most of June, July, August, September, October and November)	Green

U.S. FLAG

When a U. S. Flag is displayed from a staff in a church, the flag of the United States of America should hold the position of superior prominence, and in the position of honor to the right of the clergy or speaker as he/she faces the congregation. No other flag or pennant should be placed above or, if on the same level, to the right of the flag of the United States of America. Any other flag so displayed should be placed on the left of the clergy or speaker or to the right of the audience.

When the flag is used to cover a casket, it should be so placed that the union is at the head and over the left shoulder. The flag should never touch the ground or the floor.

AUDIO – RECORDING

The Prince of Peace technology team, at no additional cost to you, will **provide your family with a CD audio recording of the service.**

VIDEO – RECORDING

If you want to have the service video taped, please invite a friend or relative to do this on behalf of your family.

VIDEO PROJECTION

We do not use our video screen technology during funeral/memorial services. Families who desire to show images connected to their loved ones are encouraged to show these at the reception or visitation.

Responsive Reading – Psalm 23

Leader: The Lord is my shepherd;

All: I shall not want.

Leader: He makes me lie down in green pastures;

All: he leads me beside still waters;

Leader: he restores my soul.

All: He leads me in right paths for his name's sake.

Leader: Even though I walk through the darkest valley, I fear no evil.

All: for you are with me; your rod and your staff—they comfort me.

Leader: You prepare a table before me in the presence of my enemies;

All: you anoint my head with oil; my cup overflows.

Leader: Surely goodness and mercy shall follow me all the days of my life,

All: and I shall dwell in the house of the Lord for ever.
