**Where:** These will take place at Prince of Peace unless other arrangements are made by leaders.

**How it Works:**

- Make sure to add the assigned dates to your small group’s calendar.

- Connect with the leaders from your grade-level to plan an event for the number of students in your grade.
- We have provided a space for you already, but if you would like to do something special, then work through staff to coordinate.
- All materials can be purchased by staff. Simply provide staff with a list with enough time before the event to purchase. We would like these events to cost \$50 or less.
- Communicate specifics to your small groups so that students know to be here on particular dates.
- If you would like to swap dates with another grade level then please coordinate that with those leaders and then connect with staff so that we can reflect it accurately in our communications.

**Goals or what this can look like:**

- We want kids to know the kids in their grade. So they might:
  - Say each other's names
  - Share stories with one another
- We want group identity. So they might:
  - Plan something together
  - Invite each other to camps, events, worship.
