<p style="text-align: center;">Prince of Peace Lutheran Church Corporate Partnership Policy</p>
--

For-profit businesses as well as non-profit organizations which partner with us in a significant way (hereinafter referred to as “corporate partners”) must meet and/or agree to the following requirements:

1. Any partnership must be for the express purpose of furthering Prince of Peace mission and ministry. No corporate partnership may be designed to benefit directly or indirectly an individual or business.
2. Prince of Peace will acknowledge corporate partner participation as indicated below but will not endorse an organization or its products or services in any way.
3. Prince of Peace will not engage in the sale of any outside corporate partner’s products or services or allow for the sale of products or services directly to its congregation without prior approval by the Leadership Team (Lead Pastor and Finance Director) or the Board of Directors.
4. Prince of Peace will not allow access to or provide its congregation list to any corporate partner.
5. Prince of Peace will not engage in any partnership with organizations whose source of income is primarily derived from the production or sale of alcohol or tobacco or from the operation of gambling devices.
6. Prince of Peace’s Leadership Team and Board of Directors reserve the right to determine the appropriateness of any potential partnership and announcement of any approved partnership.

Corporate partners will receive recognition for their involvement according to the following guidelines:

1. In an event program or brochure, language would be included such as, “With great appreciation, we acknowledge the (name of company) for their involvement with (name of event) which has allowed us to (outcome) (to)”. For example, if company ABC had supported our appeal for the people of Nicaragua, the acknowledgement would have read, “With great appreciation, we acknowledge the ABC Company for their involvement with our appeal for the people of Nicaragua which has allowed us to send over \$14,000 to aid the relief efforts”. Or if there were a number of corporate partners involved, it would read, “With great appreciation, we acknowledge the following organizations for their involvement with our appeal for the people of Nicaragua which has allowed us to send over \$14,000 to aid the relief efforts”. The names would then be listed.
2. During services or at an event, a mention of recognition could be made following the same format as above.
3. Posters or other promotional material may display the same acknowledgment language as above.

4. No acknowledgment of corporate partners will be allowed in worship bulletins or on sanctuary video projection screens during worship services.
5. The use of corporate logos is acceptable on printed material as long as they do not dominate the Prince of Peace logo or the purpose of the event.

Prince of Peace Lutheran Church Financial Control Policies & Procedures

Goals:

1. Protection of church's financial assets
2. Protection of staff, volunteers and congregation
3. Good stewardship of church's resources

Policies for:

- Church deposits
- Volunteers
- Petty Cash
- Budgets/Accounts payable/Purchase authorization
- CDLC Preschool
- Women's and Men's Ministry

Adherence to policies will result in:

1. Separation of duties for protection of both congregation and staff
2. Audit trail
3. Expense control and adherence to budget

The key policies for all funds handled by all entities within Prince of Peace:

1. Two or more people handle all incoming funds.
2. Funds received are properly documented.
3. All funds in the building must be placed in a locked safe overnight.
4. No money leaves the premises until the bank deposit.
5. Any exceptions to church funds offsite (i.e. mission trip cash needs, etc.) must be coordinated with the finance staff for proper documentation of expenses.
6. At no time will payments for Prince of Peace activities be made payable to individuals, only payable to the church, POP Women's Ministry, Changing Church Forum or CDLC preschool.
7. No funds are disbursed from proceeds of events, only by check or by petty cash through the Finance Office or CDLC petty cash
8. No checking accounts may be opened for any church or preschool group without the permission of the Finance Director.
9. All deposits and payments are processed in the church Finance Office.

The key policies for all purchases with the church funds:

All purchases must be approved by one's supervisor in advance of placing an order, and must be within budget parameters. Purchase orders are required for all orders over \$100, including credit card purchases. Purchases over \$1,000 must be approved in advance by the Finance Director or Lead Pastor. No one may sign contracts on behalf of the church without the approval of the Finance Director or Lead Pastor. We are tax exempt; no reimbursement will be made for sales taxes paid.

Church Financial Control Policies

Church deposits other than Offering

Checks and cash are received in person or through the mail by the following areas:

Lead Pastor's office: Wedding and funeral payments
Copy Center: Postage and copy charges
Spiritual Care Ministry: Event payments, memorials
Family Ministry: Event payments, offerings
Missions: Mission trip payments, gifts
Worship & Music: Flower payments, memorials
Finance Office: Mail, miscellaneous offerings
Welcome Center: Room rental
Men's and Women's Ministries: Events and offerings

Deposits are recorded on a "Finance Office Deposit Envelope" or tamper-proof deposit bag with all of the information needed to be detailed in the accounting system or on spreadsheets. Money that is placed in a completed envelope is hand delivered to a Finance Office employee or dropped into the Christian Life Center drop box. This box is emptied each business day by a Finance Office employee. The drop safe in the Worship Center may also be used for deposits. Tamper proof bags are available for deposits made in the Worship Center safe.

All deposit envelopes and bags are held in the Finance Office safe until a deposit is prepared, usually Tuesday and Thursday; more often if needed.

A team of 2 or more volunteers work in the Finance Office and record all finance deposit envelopes onto a count sheet following established procedures. A deposit is prepared accordingly.

A designated Prince of Peace employee takes the locked deposit bag to the bank. A deposit slip is attached to all paperwork.

Funds received through automatic/electronic giving

Service U (for event registration): A Finance Office employee checks the Service U website for credit card transactions or electronic bank transactions that have been deposited into the Prince of Peace bank account. The registrant's name, event and amount are recorded. Appropriate journal entries are made.

Vanco Simply Giving (for contributions): Participant completes an authorization form for donations made electronically from their bank account or by credit card. The Finance Office enters the information on the Vanco web site. Participants may also complete the authorization for electronic contributions online. The Finance Office is notified via email of any deposits made into the Prince of Peace bank account, along with names, funds and amounts. Appropriate journal entries are made by the Finance Office employee.

Credit cards

It is preferred that all disbursements are paid by check through an invoice. While there is a recognized need for a church credit card, it is to be used when there are no other alternatives. Certain staff with ongoing credit card needs have a dedicated credit card, and other staff may check out a card from the Finance Office when needed. A receipt must be given to the Finance Office for all credit card purchases, and all purchasing policies must be followed with credit card use.

Input of financial data in accounting software

Data entry of all deposits is handled by volunteers, who do not handle any of the actual funds. The financial entry is balanced against the bank deposit slip and discrepancies are reconciled. The final check of accuracy is performed by a Finance Office employee before the final posting into the computer.

Control procedures

Two or more people always handle the money. Money always goes to the Finance Office pre-counted and recorded on a deposit envelope. Volunteers, separate from those who handle money, enter the data into the accounting software. The Finance Director reconciles the checking account.

Restricted Funds

Some contributions and payments that have specific designations are maintained separately in Restricted Funds. The use of temporarily restricted funds should be limited to memorials, funds held for outside groups, and some funds that need to cross fiscal years. A department's restricted funds should be used before general budget dollars whenever appropriate.

Petty Cash

A small petty cash fund is kept locked in the safe. Receipts are required, along with the return of any change from the purchase. Petty cash is reconciled when the funds need to be replenished.

Journal Entries

Journal entries are prepared to record deposits, allocate expenses among departments, post accruals, and record expenses that are not by check (i.e. credit card and bank fees). Copies of all journal entries, with the supporting documentation are located in either the Finance Office, the Finance Director's office or stored electronically.

Payroll

Payroll is run twice monthly, on the 15th and at the end of the month. All payments through payroll are either for regular salary amounts (as per employment agreements on file) or for hourly employees (with time sheets approved by their supervisor). Paychecks are either by direct deposit or by live checks. The person who inputs the payroll is not a check signer. The Finance Director has access to all payroll files for review of accuracy.

Purchase orders, Check Payments, and Budget Adherence

Budgets

All entities within Prince of Peace develop an annual budget. The church budget includes all administration, support and ministry areas of the church, except Women's Ministry. Separate budgets are developed for Women's Ministry and Changing Church Forum. CDLC Preschool is a part of the church operating budget. The Church Board of Directors approves all budgets, and the congregation approves the proposed Church Budget at the annual meeting.

Purchasing & Accounts Payable: Invoices and Purchase Orders

Purchasing is coordinated in advance whenever possible to receive best prices, greatest bulk discounts, and best terms. Centralized purchasing for supplies and foods is especially critical and should be planned through the copy center coordinator for a single point of purchase. Curriculum purchases should be coordinated with other ministry areas for bulk discounts and best shipping terms.

Purchase orders are approved by supervisors in each department, in advance of making purchases. All purchases over \$1,000 require the approval of the Finance Director or Lead Pastor. Purchase orders are routed to the Finance Office to be matched with invoices before payment is made. This procedure helps protect the church from inaccurate invoicing, inappropriate purchases, fraudulent invoicing, and purchasing above approved budget limits. A Finance Office employee inputs the invoices into computer system and processes checks. Checks are signed by the Finance Director, Lead Pastor, Lead Pastor's Executive Assistant, or Database Coordinator. All checks over \$10,000 require two signatures. Bank statements are reconciled by the Finance Director. A member of the Finance Advisory Committee reviews bank statements each month and requests verification of random transactions.

Scholarships and Financial Assistance

From time to time financial assistance or scholarships may be requested for camps, retreats, or mission trips (by congregation members and staff). Scholarships or other financial assistance may never be approved for oneself.

Financial statements

The Prince of Peace Finance Advisory Committee and the Board of Directors each receive financial statements for review monthly. The statements will include year to date actual vs. budget information. Financial information is available on the share drive for all departments to review their income and expenses, for comparison with their own records.

Church Assets

Anything purchased by Prince of Peace is church property and must be used only for church purposes. No property owned by Prince of Peace may be taken off the premises without supervisor approval.

Funds handled by Men's and Women's Ministries

Women's Ministry

Purchases of more than \$100 must have a Purchase Order approved in advance by a member of the Board of Women's Ministry. A specific event, such as the Women's Ministry Retreat may have a pre-approved blanket purchase order with a list of vendors with a maximum approved amount that is authorized by a member of the board of Women's Ministry. Purchase orders are routed to the church Finance Office to be matched with invoices prior to payment. Individual check requests and invoices under \$100 for Women's Ministry must be approved by a member of the Women's Ministry Board. The Women's Ministry Treasurer is responsible for verification of adequate budget prior to funds being disbursed.

Checks are signed by a representative of the Board of Women's Ministry, or any of the other authorized Prince of Peace check signers. Checks over \$10,000 require two signatures.

Women's Ministry Mega Sale

Supply and equipment purchases for the Mega Sale should be purchased whenever possible by the copy center coordinator, who handles centralized purchasing for the church. The Mega Sale Team Lead approves all reimbursements, and items over \$50 purchased by Mega Sale volunteers must be preapproved. No cash is disbursed from proceeds to reimburse volunteers' purchases. These reimbursements are only made by check.

From time to time shoppers may need to return an item during the Mega Sale. Returns may be reimbursed by cash up to \$20. Larger reimbursements must be approved by a member of the Mega Sale leadership team.

Occasionally items donated for the Mega Sale are sold on EBay. Items taken off premises for EBay sales must be itemized and the list given to a Mega Sale leadership team member and the church Finance Office. Funds received from EBay are to be deposited through the church Finance Office as soon as funds are received, and the items are cross-referenced on the Finance Office list. Each year the finance staff will meet with the Mega Sale team in charge of cash handling to walk through the funds process and instruct volunteers on bank processes for cash deposits.

Men's Ministry

Men's Ministry income and expenses are handled through the Prince of Peace Finance Office and follow the same purchasing procedures as the church. A member of the Men's Ministry Board approves all expenses.

MOPS, Mom's at Peace, other groups

Prince of Peace carries the fund balances for outside groups, such as MOPS and Moms at Peace who use Prince of Peace space, but are outside organizations. These groups leadership is responsible for meeting with Prince of Peace staff to go over safe money handling procedures. Those they have designated to approve purchases and reimbursements sign check requests for disbursements that include account number information. Checks are processed through the Prince of Peace Finance office and funds are pooled with Prince of Peace bank balances. On a monthly basis these funds are reconciled by the church Finance Director and an accounting is given to the groups' leadership.

Funds handled by CDLC Preschool

Preschool Tuition

Tuition is paid in the preschool office, paid electronically or is brought to the preschool office by staff. The preschool office manager records the payments in the accounting software, and assigns account numbers to a deposit slip for checks and cash received on site. The deposit is brought to the church Finance Office and included in other church deposits for the bank. Electronic tuition payments are recorded in the CDLC office for parents' accounts and the journal posting to the checking account ledger is made in the church Finance Office. Tuition income is compared on a monthly and year end basis against the budget based on enrollment. While only one person handles the tuition payments, nearly all tuition payments are by check or electronic payment via Vanco software.

Carnival

The CDLC preschool carnival generates additional funding for the program. The office manager is responsible for the counting of funds raised, with a second person verifying the amount and making the bank deposit slip.

Accounts Payable

Invoices are authorized by the CDLC Director and sent to the Prince of Peace Finance Office for processing, where all checks are generated. All CDLC funds are pooled in the church general operating account. All financial policies apply to CDLC operations.

Fundraising Policy

General Statement of Policy

Prince of Peace Lutheran Church (hereinafter “the Church”) is committed to encouraging disciples to grow in generosity by providing overall support of the Church ministries through regular mission & ministry offerings. First and foremost, the ongoing ministries are to be funded by regular offerings through the operating budget of the church. Recognizing that there are advantages in fundraising that promote service and sense of community, this policy has been designed to define approved fundraising activities.

Prince of Peace Lutheran Church also recognizes a need for restraint to prevent fundraising from becoming too numerous and overly demanding on staff and disciples. The Church’s Board of Directors has the responsibility to define the fundraising policy for the Church. The Church’s Leadership Team, in partnership with the Board has the responsibility to monitor, supervise, and control all fundraising activities associated with official Church activities.

All fundraising activities must have prior approval. Church staff is directed not to organize, conduct or involve disciples in fundraising activities unless the fundraising activity has been approved by either the Leadership Team or Board of Directors, as appropriate.

Definitions

Fundraising is the selling of product, providing a service or activity, or requesting donations. Persons eligible for fund raising must be associated with a group sponsored by Prince of Peace Lutheran Church. Groups that could be considered for fundraising programs include:

- Internal Groups: for example, Changing Church, CDLC, Family Ministry, Missions. etc.
- Ministry Groups: Men’s and Women’s
- Disaster Relief coordinated by the Church

Guidelines for Approval

These groups include:

- Relationship Organizations: Partners or those chartered by Prince of Peace Lutheran Church
- Outside Organizations

Fund Raising

The Church may permit a minimum of fundraising activity beyond those administered through the operating budget when they meet the following guidelines.

 - a) Ministries of the Church
 - b) And/or activity that financially supports disciples in their faith growth through an ongoing ministry of the Church.
 - c) And must serve a purpose beyond just raising funds, i.e. serving opportunity, building relationships, etc.

No fundraising activity will be permitted on the Church grounds during Saturday evening or Sunday morning times of worship except by prior approval for those organizations sponsored by and within Prince of Peace Lutheran Church. All exceptions would require prior approval of the Leadership Team or Board of Directors. The Board of Directors will approve all new fundraising activities during times of worship. No person-to-person solicitation is permitted.

- 2) No door-to-door fundraising activity on behalf of any Prince of Peace Lutheran Church ministries is permitted.
- 3) Request for fundraising permission must be submitted to the Leadership Team or Board of Directors at least 30 days in advance of scheduled activity.

- 5) Individuals who fundraise above and beyond their cost of an event (i.e. trips, camps, etc.) may not receive a refund of the extra funds. Those extra funds will be used for the common good: to support the general cost of the event, the general budget of a ministry, or the general operating expense of the church.

Product Sales

All product sales except the Women's Ministry Mega Sale must be conducted at the Christian Life Center, unless prior approval is given by the Board of Directors. If a sales event has been in approved in prior years, the Leadership Team may approve a subsequent event.

Flyers may not be placed on the doors of the worship center or placed on the windshield of cars. Advertising will not be permitted on the video screens in the sanctuary.
