## Keeping the Promise

*Prince of Peace has dedicated one day each year in the life of children to celebrate baptism. Keeping the Promise [KTP] experiences are designed to remind us of the important promises made during baptism.*

### The Promises of Baptism...

As you bring your children to receive the gift of baptism, you are entrusted with many promises, among them: To model a life of following Christ for your child as you live UP with God, IN through community and OUT for the world; to bring your child to worship to encounter God's Word and to be strengthened with communion; to teach them the Lord's Prayer, the Apostles' Creed, and the Ten Commandments; to place into their hands the Holy Scriptures and to nurture them in faith and prayer so they may learn to trust God, to be the hands and feet of Christ in the world in order to serve and care for others, and work for peace and justice in all places for all people and to help your children grow in the Christian faith and life. Do you promise to help your children live into these promises?
