# PRAYER

Colossians 1:9-12 For this reason, since the day we heard it, we have not ceased praying for you and asking that you may be filled with the knowledge of God's will in all spiritual wisdom and understanding, so that you may walk worthy of the Lord, fully pleasing to him, as you bear fruit in every good work and as you grow in the knowledge of God. May you be made strong with all the strength that comes from his glorious power, so that you may have all endurance and patience, joyfully giving thanks to the Father, who has enabled you to share in the inheritance of the saints in the light.

Rev. Tim Coltvet joined the Luther Seminary faculty as Director of Contextual Learning in January of 2015. In his role, he has guided the various contextual programs including clinical pastoral education and internships. He also worked with Professor Rolf Jacobsen and his contextual learning staff to design the contextual elements of the accelerated MDiv Program (MDivX).

Prior to his role on the faculty, Pastor Coltvet served in the Children, Youth and Family concentration at Luther Seminary as an adjunct instructor and contextual learning coordinator with Twin Cities ministry partners.

He has published works in the faculty journal, Word and World, and serves on many boards and committees including the Reflective Practice Journal, the Association of Theological Field Educators, and the Professional Advisory Group for the MHealth Chaplains in the Twin Cities. He works collaboratively with his contextual learning colleagues across the ELCA seminaries and enjoys connecting the classroom to context.

Tim served for just over 10 years as a pastor in two separate ELCA parishes in the Twin Cities prior to coming to Luther Seminary in 2008, and now resides with his wife Sarah in Maple Grove, Minnesota. They enjoy outdoor activities year round and watching their kids discover their vocations and callings into adulthood.

Coltvet is a graduate of Concordia College in Moorhead, Minnesota ('94) and Luther Seminary ('98).

**For Reflection** Do you think prayer, especially intercessory prayer, is an important way to live as part of the wider community? Why, or why not? Paul and other leaders prayed specifically for the community in Colossae from the first day they heard about them. Is there someone you know that could use your intentional prayers? How can you pray for them?
