

HOSPITALITY

JOIN THE TEAM OF HOSPITALITY VOLUNTEERS AT PRINCE OF PEACE!

We hope that every person who walks through our doors feels welcomed, noticed and cared for as they seek to grow in their relationship with God and each other. All of these volunteer roles are crucial parts of the welcome experience at Prince of Peace.

USHERS

Ushers assist with many elements of weekend worship including lighting candles, collecting offering, tallying attendance and more. Ushers serve on a once a month rotation for one of the worship services.

GREETERS

Greeters serve on a once-a-month rotation, greeting before and after one worship service and helping guide people as needed.

COFFEE HOSTS

Coffee Hosts prepare, replenish, and clean up the coffee and fellowship space in the Community Room on Sunday mornings. Coffee Hosts serve on a once a month rotation, covering half of the Sunday morning coffee time.

COMMUNION SERVERS

Communion servers serve bread and wine/grape juice during our weekend services on the first weekend of the month.

CONNECT DESK HOSTS

Connect Desk hosts are available before and after worship to welcome visitors, answer basic questions about Prince of Peace, and provide next steps for further connection opportunities.

MEDICAL RESPONSE TEAM

Medical team volunteers are trained (current or retired) first responders, nurses, doctors or have a skill set which would be helpful during a medical incident to assist until emergency services arrive, if needed.
