

Young Adult Engagement

Prince of Peace Lutheran Church
Love God. Love People.

Our Vision

To establish Prince of Peace as a trusted Christian resource and vibrant center for spiritual engagement for people in the first half of their adult lives.

Wherever You Are, You Belong

Whether you're navigating college, launching your career, building relationships, starting a family, or simply figuring out what's next, you don't have to go it alone. At Prince of Peace, we believe all of life is sacred ground, and that young adulthood is especially rich with the possibility of deep growth, real questions, and powerful transformation. We're here to journey with you.

What Guides Us: Our 7 Cultural Touchstones

Radical Hospitality

Everyone belongs, and everyone matters. *"All are welcome – we love God and all people."*

Spiritual Depth

We create space for the sacred and do things that matter. *"Worship is relevant – we offer meaningful spiritual experiences that align with your faith and values."*

Healing Community

We offer judgment-free zones—a safe place to be real, to be seen, and to be supported.

Journey Together

Faith is not a solo project. We show up for one another, commit to walking together, and grow in community.

Find the Fun

We laugh, play, and celebrate. Joy is central to how we live and connect.

Hold on to Hope

Life can be hard. But we don't give up. We face challenges with faith, courage, and resilience.

Missional Living

We're not just here for ourselves. We equip and send people to serve others with compassion and purpose.

Come connect, grow, and be known. You're not just welcome here — you matter here.
