

## PRESERVE•OPEN•PLANT

Over the next seven weeks, we will be sharing the details of our **Preserve•Open•Plant Campaign** through inspirational talks, bulletin inserts, special events, and more. We hope that you will receive this information, listen for how God is calling Prince of Peace Lutheran Church for future ministry, and prayerfully consider your support.

The campaign will culminate with the return and celebration of our financial Statements of Intent on Sunday, November 9.

As we lean into our future, we are confident that God has been and will continue to be faithful. The prophet Jeremiah reminds us of God's faithfulness. *For I know what I have planned for you,' says the LORD. 'I have plans to prosper you, not to harm you. I have plans to give you a future filled with hope. (Jer 29:11)*

Prince of Peace has lived into this promise for generations and will continue to do so for generations to come. We are all a part of this shared legacy, a legacy that will **Preserve** our past, is **Open** and welcoming to all, and **Plant** our future harvest together. Our POP Capital Campaign is designed to do just that.

## **A JOURNEY OF GENEROSITY**

### ***God Meets You Where You Are***

For many people, the journey includes supporting non-profit organizations that make lives better. Whether it's a church, food shelf, homeless shelter, world relief agency, or cancer society, people on journeys of generosity make amazing things happen in our world.

On this journey, some are preparing to take their first step, considering their first gift. Others have been on the journey for many years and have seen the difference their giving makes.

No matter where you stand on this journey, know that God meets you where you are. As God calls us to generosity, God surrounds us in grace. God loves you whether you give or not. There is no place for guilt or shame, just the joy of giving.

In these coming weeks, we invite you to consider your journey of generosity. Where have you been? Where might God call you to go?
