

PRESERVE • OPEN • PLANT

Through the **Preserve-Open-Plant Campaign**, Prince of Peace will open new possibilities with debt relief.

Prince of Peace's facilities have served our mission for nearly 50 years. In that time we significantly invested in our space. From the most recent renovations, a \$2.9 million mortgage remains, requiring \$200,000 a year to service that debt. This year, \$100,000 comes from our annual budget and \$100,000 from the remaining gifts of the previous campaign.

Just think of the transformative ministry Prince of Peace could cultivate with an additional \$100,000 every year!

Together, we will raise \$4.6 million to make this, and other, projects possible.

“ *When I was in a major car accident, in a body cast, in pain and depressed, I came to Prince of Peace. The music, the singers, Pastor Dean and the entire congregation welcomed me. I felt joy and happiness here. I love the uplifting and inclusive message which has brought me closer to my faith.*” – Sue

The 2020 *Get It Done* Capital Campaign marked Phase 2 of our One Church Transformation, resulting in significant renovations throughout our current building. That campaign concluded in January 2024 and set the vision for Phase 3—a bold step to eliminate outstanding debt, replace the main roof, and advance additional key projects. Today, the Preserve-Open-Plant Campaign carries that vision forward as the next phase in our transformational journey.

GOD PROVIDES - THERE IS ENOUGH

“And all ate and were filled; and they took up what was left over of the broken pieces, twelve baskets full.” Matthew 14.20

When Jesus fed the 5,000 with five loaves and two fish, Jesus didn't provide just enough for people to take the edge off their hunger. Instead, everyone ate their fill and there were baskets full of leftovers.

We live in a world that constantly teaches us that we don't have enough. Scarcity rules the day. We focus on what we lack.

Yet with God, we have enough! Martin Luther clearly explains it in his explanation to the first article of the Apostles' Creed:

I believe that God has made me and all creatures; that He has given me my body and soul, eyes, ears, and all my members, my reason and all my senses, and still takes care of them. He also gives me clothing and shoes, food and drink, house and home, wife and children, land, animals, and all I have. He richly and daily provides me with all that I need to support this body and life. He defends me against all danger and guards and protects me from all evil. All this He does only out of fatherly, divine goodness and mercy, without any merit or worthiness in me. For all this it is my duty to thank and praise, serve and obey Him. This is most certainly true.

How might the next step on your journey of generosity respond to God's abundance in your life?
