

PRESERVE • OPEN • PLANT

Through the **Preserve-Open-Plant Campaign**, Prince of Peace will plant green space.

A newly imagined green space beside the building will extend ministry to our outdoor grounds throughout the year. This thoughtfully designed area will feature a retractable canopy for shade during warmer months and a raised platform that can host large gatherings and events.

In this lovely space:

- 🌿 Lush green space will invite children and youth to play, explore, and connect.
- 🌿 Summer concerts will bring neighbors together in celebration and community.
- 🌿 Outdoor worship will offer a meaningful way to encounter God in nature.
- 🌿 Families will find a welcoming place to gather, share meals, and make memories.
- 🌿 An outdoor ice rink could open new possibilities for connection and joy during colder months.
- 🌿 This space will serve as a vibrant gathering point for the wider community.

In addition, reconfiguring the space will allow for a net gain of 14 parking stalls—including additional handicapped parking options closer to the building—to better serve our community's needs.

Together, we will raise \$4.6 million to make this, and other, projects possible.

“*I am excited about the idea of curating a beautiful outdoor green space! I could see us hosting community invited events in this summer space and subsequently generating positive curiosity about Prince of Peace. What a great way to draw people in while we share our love for God and all people.*” – Julie

A STEP OF FAITH

“Trust in the Lord with all your heart, and do not rely on your own insight. In all your ways acknowledge him, and he will make straight your paths.” Proverbs 3:5-6

The Lord God is there for us in all things. Yet to trust completely, is to be vulnerable. It might begin in small ways, and grow as we feel the love of God throughout the ups and downs of life. It is an experiment in faith.

Our journeys of generosity may reflect this.

Some consider a first step on the giving journey, a first experiment in relying on God to provide. Take the step. Make the gift. Prayerfully reflect on how it makes a difference in your life and the life of the church.

Others who have experience on a journey of generosity consider an increase in giving. Consider the ways that God proved trustworthy as you have given in the past. Will God prove trustworthy in the future?

Others find themselves in a place to consider a transformational gift from their assets, such as their savings, stocks, or CDs. What does it look like to depend on God through a gift of significance?

No matter where you find yourself, how might the next step on your journey of generosity become an experiment in counting on God to provide?
