

PRESERVE • OPEN • PLANT

Through the **Preserve-Open-Plant Campaign**, Prince of Peace will plant seeds in our community and in the world.

\$250,000 of the **Preserve-Open-Plant Campaign**, will impact lives in our community and beyond.

- 🌱 Create a scholarship fund to support international mission trips for all ages, opening doors to transformative experiences and global outreach.
- 🌱 Construct a new school building for our long-time mission partner Doulos Discovery School in Jarabacoa, Dominican Republic, deepening our long-standing commitment to education and service.
- 🌱 Provide ongoing support for the Mission Outpost dental and eye clinics, ensuring vital care and compassion continue to reach those in need.
- 🌱 Build a storage facility on our campus grounds to serve the Mission Outpost furniture ministry, enhancing organization and expanding capacity to serve the community.
- 🌱 Complete the construction of three sanctuary spaces for our sister congregation in Ilambo, Tanzania, deepening bonds of faith and partnership that span cultures and continents.

Together, we will raise \$4.6 million to make these, and other, projects possible.

THE NEXT STEPS ON A JOURNEY OF GENEROSITY

A life of generosity is truly a journey.

At some point, we begin the journey, trusting God to provide – even as we give up resources God has given us.

Often the journey leads people to consider growth in generosity. They experience the joy of giving and want more of it.

Sometimes, a faithful journey leads people to step back in giving. The loss of a job or spouse may impact the ability to give.

The journey never ends. We have never ‘arrived.’ For years, churches taught people to tithe, giving 10% of income to the church. Some stopped at 10% thinking they did enough. Others realized that they found so much joy in giving beyond 10% that they had no desire to stop.

God constantly calls us to prayer, considering how our generosity might spread God’s love and care through the world.

Regardless of where you are in your generosity journey, once you have experienced the joy of good and generous giving, you will want to take the next step!
