

## WHY DO MY SPIRITUAL GIFTS MATTER?

### Servant Leadership

What does “servant leadership” mean? What does it look like in practice? Why does it matter?

Look back at the results of your spiritual gifts inventory from last week.  
*If you didn't do the assessment, you can pick one up at the Connect Desk!*

Which spiritual gifts ranked the highest on your list?

Which spiritual gifts ranked lowest on your list?

Did the assessment turn out as you expected, or were there any surprises?  
Do you think your assessment shows an accurate picture of your personality, skills and interests?

Look at the opportunities to serve inside this handout. Do any of the service opportunities match your spiritual gifts? Are there ways you'd like to connect and serve at Prince of Peace? If so, write them here.

Are there ways you'd like to unleash your spiritual gifts in other places, outside of Prince of Peace? Write your ideas here.

Hold on to your answers, so you can remember and lean into them as you consider participating in servant leadership.
